Dear friend Mr Garrison

We are very glad to hear that ~~you~~ anticipating attending the Yearly Meeting at Longwood, we will be delighted to see you, and want you to come right here and ~~be~~ ^{be} with us ~~while~~ during the Meeting, we shall be very happy to welcome you to our old home once again, and as our friend Robert Collie said last year the "Prophet's Chamber" shall be ready & waiting for you.

Father and Mother send their kindest regards, and anticipate much pleasure in seeing you & ~~your~~ ^{your} visit from you. Father has excellent health, and is very active for a man of his age, he is in his eighty third year. Mother has

not been well this Spring, but
we hope she is improving, and
trust ^{with} the warm bright Spring
weather she will regain her
health.

We would be glad if
she would let us know when
she will come. To-day and
to-morrow, or we may be meet-
her at Greenwood Station. P. & B. C.

As I do not know
her address, I will enclose
this to our friend Oliver
Johnson. He found

Please give much love
to Mrs. Garrison, we hope to
hear of her improving health
if she is able to come we
would be glad to see her
at Longwood again.

With much love & many good
wishes in which the family
join me I am as ever
